NOTE: The procedures that are acceptable to the Type Certificate (TC) or Technical Standard Order (TSO) authorization holder and their cognizant FAA Aircraft Certification Office (ACO), for minor changes to original parts used on type certificated products, are also acceptable for incorporating the same minor changes on identical Federal Aviation Administration, Parts Manufacturing Approval (FAA-PMA) replacement parts. The FAA-PMA holder must show traceability to the TC, Supplemental Type Certificate (STC), or TSO authorization holder on all minor changes incorporated by this procedure.
