

United States of America
Department of Transportation -- Federal Aviation Administration

Supplemental Type Certificate

Number ST03400AT

This certificate issued to Imagik International Corporation
2299 Douglas Road
Miami, FL 33145-3000

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25,36 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A1NM
Make : Boeing
Model : 767 -200/-300

Description of Type Design Change: Installation of IMAJIK LCD Entertainment System Monitors. These monitors replace existing monitors, and utilize existing power/interface wiring per Master Data List Drawing 26012-MDL, Revision B, dated May 15, 2007.

Limitations and Conditions: "This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : December 19, 2005

Date reissued : March 28, 2008

Date of issuance : February 22, 2007

Date amended : February 25, 2008

By direction of the Administrator
